

VAT accounting services

Visma provides:

- VAT registration services
- Tax return representative
- Tax address services
- Compliance with Swedish law

Are you a foreign entrepreneur operating in Sweden? Then you need to be registered for VAT with the Swedish Tax Agency. It's not always easy to keep track of things in this regard. Yet there's a simple solution for all the administration surrounding the submission of tax declarations between countries for endorsement and approval. Choose Visma as your declaration agent.

You can be quietly confident that all your VAT admin is in good hands, giving you more time to focus on what you do best – running your business.

We'll send the documents to electronically on your behalf, and all your mail from is handled by us. We'll take action when necessary, and only then. We'll keep a close eye on your tax account and take care of tax payments to. We'll take a note of all the important dates so you'll never risk missing a deadline again.

Visma's VAT accounting services include:

- VAT registration services
- Monthly/quarterly VAT accounting
- Monthly reporting of P.A.Y.E and employer social security contributions
- Tax return representative
- Tax address services at Visma
- Periodic compilation of EU VAT
- Excise Tax return (EMCS)
- Periodic reports
- VAT agent services
- Client bank account at Visma
- Financial and fiscal advice by appointment

Here's how it works:

1. Complete the form on our [website](#)>>
2. We'll contact you to discuss the best solution for your business
3. We'll sign an agreement
4. We'll submit the application to become your declaration agent
5. Visma will take care of your VAT in accordance with current legislation

In addition to the above, at Visma we can help you with other types of statutory reporting, such as the preparation of **annual reports** and **tax returns**.
